## **YOU ARE WELCOMED IN OUR CIRCLE!**

Element Church  
Hradec Králové

Element is a local church in Hradec Kralove, Czech Republic, that exists for anyone on their spiritual journey – atheists, agnostics, seekers and Christians. We exist to make faith easy to understand for today’s people in a friendly environment and lead believers to maturity shown in a generous, responsible and transformed lifestyle.

### **OUR CORE VALUES ARE RELEVANCE AND RELATIONSHIPS.**

From our beginnings in 2003 we have always hosted people from all around the world and from dozens of nationalities, since Hradec Kralove is an international student’s city. We are thankful for this multinational flavour as we are a local church with global connections. In addition, throughout our history, dozens of Internationals were and are connected into ministry and into membership with Element.

### **SUNDAYS WITH TRANSLATIONS**

Our Sunday meetings at the Central Cinema (Karla IV 774, Hradec Kralove) start at 10:00 am, last for 1 hour and we provide headsets with English translation for the message. The worship is in both Czech and English, and we always have lyrics in both languages projected on the screen. Sunday is a public gathering with a relevant and inspiring message, an opportunity to get to know friends over a cup of coffee and to connect with God through joint worship.
